hero plus flex

**Redefines the
scope for action.**

hero plus flex

- Multifunctional chair for large venues with modular character
- Maximum design and application possibilities thanks to flexibly attachable additional elements
- Armrests, linking devices and writing tablets can be mounted without any tools
- For time-saving configuration of the chairs, even when stacked
- A panic-proof linking device is also available upon request
- Basic model with blind piece to protect against soiling and vandalism
- Separate storage trolley for armrests and row connections (up to 200 small parts)
