

brunner ::

The image shows a modern interior design studio. A large, dark brown vertical panel in the center contains the text 'nate s' and 'ATELIER STEFFEN KEHRLE'. To the left and right of this panel are glass-walled rooms. In the left room, two black metal chairs with light-colored wooden seats are visible. In the right room, a square wooden table is surrounded by four similar chairs. On the table, there is a vase with dried flowers, a small black lamp, and a cup. The background of the right room is a large, light-colored wall. The floor is covered with a light-colored rug. The overall aesthetic is minimalist and contemporary.

01

Product idea.

High-tech construction meets sustainable resources.

- Regular addition of new variations and design elements to the range
- Stacking bar stools with a choice of two different seat heights
- Folding table and folding standing table with clever folding mechanism and fail-safe mechanism
- Particularly sturdy design enables folding tables with lengths of up to 240 cm
- Option of rounded edges and corners
- Stools, four-legged table and standing table also available with lockable casters
- Suitable for use in offices, agile project spaces and public spaces, e.g., cafeterias and restaurants

Everyone at the table,
please.

When everything just
works out.
